Stay up to date with campus safety alerts

Notre Dame College is proud to team up with Alertus, the leader in mass notification, to bring enhanced campus and personal safety to all students, faculty, and staff with a next-generation smartphone app, now available for free to the NDC community on the App Store and Google Play Store.

Register to receive alerts and report incidents, right on your phone!

- **Campus Safety Alerts** — Receive alerts on the go and never be out of reach of emergency notifications.
- **Incident Reporting** — Report incidents with photos and current location so campus police know exactly where to go. Learn more

The app reinforces NDC's position as a safe campus and positions us among the most tech-savvy college police forces. We encourage everyone to download it immediately and follow the steps below to register.
The app is integrated into the campus police computer system.

To register for the Alertus notification service:

1. You must use your Notre Dame College email address
2. Download the appropriate app for your Android phone or IOS (iPhone)
3. When prompted, the Notre Dame College Code is **4545**
4. Follow the remaining steps on screen to complete registration

Questions? Contact the Notre Dame College Police Department at 216.373.5212.
